

1st Standlake & Cokethorpe Sea Scouts

Build strong friendships with peers and leaders and learn to work as a team even at the toughest of times

Learn a variety of new skills and techniques like learning to survive just with a pocket knife and a piece of string and learn to tie a mixture of useful knots.

Go to many adventurous camps and explore the great outdoors. We guarantee there will be many wonderful discoveries.

Find new talents such as sailing and kayaking (activities done in the summer terms) and do the best of your ability to become a better and fitter you, as well as having a whale of a time.

Take part in many spectacular fundraising events such as the magnificent fireworks and the jolly good barn dance.
